PROFILE

Multidisciplinary designer with nine years shaping brand systems for consumer and lifestyle companies. I work at the seam where identity, packaging and digital product meet - building the kind of guidelines other people actually enjoy using. Comfortable leading a small team, comfortable being the only designer in the room.

EXPERIENCE

Design Lead

Mud Jeans · Almere, NL

Feb 2022 - Present

- Rebuilt the brand identity end to end: logotype, colour, typography and a 90-page guideline system now used by every agency partner.
- Directed four seasonal campaigns a year, from moodboard through photoshoot to final retouching.
- Managed two mid-weight designers and a rotating intern.
- Cut studio production time roughly in half by moving the team onto shared Figma libraries.

Senior Designer

Studio Dumbar · Rotterdam, NL

Sep 2018 - Jan 2022

- Worked on identity projects for cultural and public sector clients including two national museums.
- Handled art direction and art working for print and environmental applications.
- Presented concepts directly to client stakeholders.

Graphic Designer

Wieden+Kennedy Amsterdam

Mar 2016 - Aug 2018

- Produced campaign artwork across digital, OOH and social for a global footwear account.
- Collaborated with copywriters and motion designers on integrated campaign toolkits.

Junior Designer

Fabrique · Delft, NL

Jun 2014 - Feb 2016

- Supported senior designers on website and app UI work.
- Prepared production files and prepress artwork.
